FPG Technologies And Solutions Limited Voted ‘Tech Consulting Company Of The Year’ At The Nigerian Technology Awards (NITA) Awards 2018

FPG Technologies & Solutions Limited, one of Nigeria’s foremost IT Company known for providing IT Consulting, IT Security, Cloud, Mobile and Infrastructure solutions to various sectors of the Nigerian economy has been named ‘Tech Consulting Company of The Year’ in the Nigerian Technology Awards 2018.

The Nigerian Technology Awards (NITA) is organized to celebrate technology excellence, reward technology companies, entrepreneurs, innovators, inventors, academicians and policy makers and give country-wide recognition to technology professionals and organizations at the fore-front of building a sustainable economy using technology.

Joy Ehibor, FPG’s Marketing Manager remarked: ‘We are honored to be recognized, winning the Tech Consulting Company of the year award is a powerful endorsement of FPG Technologies & Solutions’ adeptness in delivering innovative IT Consulting, Security, Cloud, Mobility and Infrastructure solutions and services that offer unparalleled competitive advantage. This award affirms the dedication of our team in forming meaningful partnerships with our clients that allows us to solve their business challenges using bespoke innovative solutions and technical expertise. This recognition is a testament to both our success and that of our clients.’

Also, FPG’s CEO, Rex Mafiana was named ‘Tech Company CEO 2018’. Toheeb Mohammed, Head of Technology Group asserts ‘This award recognizes a visionary known for outstanding leadership in advancing and accelerating the performance and progress of the IT sector and the adoption of technology in Nigeria. Rex Mafiana is considered a mentor; his passion has been to leverage technology to drive digital transformation by helping organizations accelerate growth while achieving extreme business agility with confidence. We are proud to have a leader who advocates technology as a means for changing lives, businesses and governance for good’.

Rex Mafiana voted 'Tech Company CEO' at The Nigerian Technology Awards (NITA) 2018

Lagos - Wed, 5 Dec 2019

Rex Mafiana CEO of FPG Technologies & Solutions Limited has been voted Tech Company CEO 2018 by The Nigerian Technology Awards (NITA).

This prestigious annual award is organized to celebrate technology excellence, and to recognize outstanding technology companies and individuals in Nigeria, who have made contributions during the year, as well as to the technology industry overall.

Rex Mafiana as CEO of FPG technologies & Solutions Limited has demonstrated exceptional leadership while developing and deploying new technological advancements in the Nigerian Information Technology sector. His unique level of understanding and commitment to leadership has not only built FPG Technologies & Solutions limited to becomes Nigeria's foremost IT company today but shaped the industry it serves. From the private sector to public sector, using exceptional technical leadership and thought partnership, he has been able to demonstrate that indigenous IT firms in Nigeria can deploy world class IT solutions in the country.

Toheeb Mohammed, Head of Technology Group asserts "This award recognizes a visionary known for outstanding leadership in advancing and accelerating the performance and progress of the IT sector and the adoption of technology in Nigeria. Rex Mafiana is considered a mentor; his passion has been to leverage technology to drive digital transformation by helping organizations accelerate growth while achieving extreme business agility with confidence. We are proud to have a leader who advocates technology as a means for changing lives, businesses and governance for good'.

Also, FPG Technologies & Solutions Limited, was awarded 'Tech Consulting Company of The Year' 'By focusing on our clients' business goals and challenges first and foremost, we can identify the right technology, processes, and support to help our customers accelerate growth, mitigate risks and succeed in a constantly-evolving market.

We are all excited to continue these trends as we continue to adapt and evolve alongside technology and market trends in 2019' states FPG's Business Development Manager Ugonna Agujiobi.
